Please complete the following table for each initiative.

School Name: KURRAMBEE SSP

STW Coordinator: LEIGH DOYLE

	School Initiative
Key Result Area connection (background)	• Building networks and connections
Initiative outline	• Transition education staff to visit business services to set up work experience opportunities for students, liaise as necessary, complete paperwork, check new facilities for suitability for work experience
Who supports and organises implementation?	• Transition teachers
Highlight student and/or school outcomes	• Stronger relationships between school and business centres which facilitates better work experience support for students
2008 Enhancements	• Teaching staff to become familiar with the range of opportunities offered by business services for students once they leave school such as supported employment and connected Transition to Work programs
2008 Financial allocation being applied for (budget)	• 2 teacher relief days @ $270 per day = $540.00 • * NB I have taken teacher daily rate off your example
